FROM THE EAST

Brethren,

I would like to express my gratitude for allowing me to serve this Lodge as Master for this past year. It has been a very gratifying and productive year. We are slowly rebounding financially, adding new members and these new Brothers are getting involved. What more could we ask? But there is more to do. We need to continue this momentum. With you, my Brothers, I am sure we can accomplish many wondrous things.

Change is inevitable. For the good or bad, we are at that fork in the road and it is up to you, Brethren, to decide which road we take.

Thank you, my Brothers, my friends, for making this such an enjoyable experience and successful year.

Sincerely and Fraternaly,

W.: Steven Shearer

Master

Note from the Secretary:

Brothers, please make sure your dues card is up to date. If you are having problems, please contact me.
