Lodge Picnic:

My Brothers,

I look forward to the coming year 2017/2018 Masonic year with the hope we can energize our lodge with new and young ideas. I realize that the ritual is fixed and not subject to change but in order to retain our youthful members we must look to them to take the reins and put their ideas into practice.

With this in mind I challenge all members to think of ways we can revitalize activity within the Lodge. Our first meeting in September has been set-aside for all members to submit and discuss ideas where we might improve attendance at Stated Meetings

I ask of all Brothers, even if you are unable to attend Lodge on September 7th to take time to reflect upon what you feel would revitalize the Lodge making it more attractive to attend meetings more often. Write those ideas down and send them to me or email them to: gwestey@stny.rr.com.

I personally feel that an active Lodge is one that will attract the caliber of men we seek to ask the question. Included in this mailing is a Masonic invitation. Use it to give to a friend who you feel would be an exemplary Mason.
